

## For The Day "Mean"

One of those days again  
I'm writing too slow  
To let my thoughts get in  
This piece of paper I wanna fill  
All the songs have been written  
Some time ago  
And they're not mine  
I love them still

And I'm still listening to them, trying to understand  
What they mean to me  
They figured it out while I'm trying to find out  
What they mean to me

One day I'm gonna write a song  
They have to understand  
They're gonna like it - like I like all of theirs  
But it will take some time  
To find out - what I'm gonna write about

And I'm still...

If I don't understand it right  
You won't understand mine  
Get out, start your own  
Show me what you mean...

And I'm still...
