You see my blood and sweat and tears I have poured
on the ground before you. Take everything.
Blood and sweat and tears, you have poured on the
ground before me,
When you gave everything.

I have lived this war too long. Come and take
everything.
I have lived in sin too long. Come and take everything.
I release it all, finally. Finally, I surrender.
All to you, I give it all to you. Finally, I surrender.
All I am, I owe it all to you. Finally, I surrender.
All to you, I give it all to you. Finally, I surrender.
All I am, I owe it all.

You fight for me when I can't fight for myself.
This battle is not mine, but the battle belongs to the
Lord.
This battle is not mine, but the battle belongs to the
Lord.
So, I am no slave to this broken flesh, because you
gave me hope.
I am no slave to this broken flesh, because you are my
hope.
I am no slave to this broken flesh--that man has died.
I am a free man!

Under the blood, I rise.
Redeemed, I stand;
Carried back from hell by your nail-scarred hands.
And now I'm free. You broke my chains and you gave
me the key.
So I bow to show you, that you are everything to me.
Finally, I surrender.
All to you, I give it all to you.
Finally, I surrender.
All I am, I owe it all to you.
Finally, I surrender.
All to you, I give it all to you.
Finally, I surrender.
All I am, I owe it all to you.
