Theres nothing left  
But to pave red rows in skin  
Rows sewed with a blade  
From your aspirin

Theres nothing left  
But to pave red rows in skin

When ever I see you  
Brings back all the things we used to do  
Used to do, when I see you

We could have been  
So much  
So much more than this  
We shoulda been  
Coulda been  
So much more

I still hate you

Still hate you  
Still hate you

This is my way out  
This is my goodbye  
Just tell me its okay to leave this note  
And die

I wanna see  
I wanna know  
Your hands around my throat

I wanna see  
I wanna know  
Your hands around my throat

This is my way out  
This is my goodbye  
Just tell me its okay to leave this note  
And die
