[Poetry : Arnault de Stael]

[Music : Romarik d'Arvycendres]

Le pentagramme uni
Nos ÆfÂfÃ,Âçmes en un seul ÆfÂfÃ,Âatre
En relation intense
Treize cierges illuminent

Sur l'autel de marbre
L'aura noire du caveau
De ta poitrine pÃfÂfÃ,Âçle
Laisse pleurer la vie !

Exhibe ainsi tes charmes
Du vin originel
Sur ta peau nue je trace
Sept abysses charnels

Embrasse mon corps
Dans l'extase de la nuit
Donnons corps
A celui qui demeure...

ORIENS
PAYMON
ARITON
AMAYMON

Sanguis-Vita

Ars Vampirica
Ad aeternam

ÃfÂf", Oriens Paymon Aviton
Amayamon

Embrasse mon corps
Dans l'extase de la nuit
Donnons corps
A celui qui demeure...

The sullen solstice morn unfolds the sombre veil

An obscure hymen torn by a diaphanous blade
Shade my soul asunder whilst I meander lone
"Why should I have to weep for death he wasn't born"
Harken Venus hither and thither from the dust
Of the graves I emerge my nocterotic lust
Doth make them crawl to me through the ebony light
Cartharsized by the wine that ...
Oh ! Flushes my heart
