Everytime I think I've mastered all the ways of keeping
My cool
I just fall apart(apart)
And my heart gets weak for you
It makes me do the things I do for you ooh

Cause Your love drives me crazy(It drives me crazy)
And I think that maybe(I never want control because
you
Reach my very soul)
Your love drives me crazy(It drives me crazy)
You're just a part of me and it's with you I rather be

With you I feel no pain(no pain)
And I have so much more to gain just being with you
And everytime you speak you make me reach loves
highest
Peak so. please don't ever stop hey girl don't ever
Stop.

Cause your love drives me crazy(drives me crazy)
And I think that maybe(And I never want control
because
You reach my very soul)
Your love drives me crazy(drives me crazy)
And you're just a part of me and it's with you I rather
Be yea

Oh oh With you I feel no pain(no pain)
And I have so much more to gain yea just being with
you
I just can't go on and I won't live my life alone
Because I love you that much.

Your love drives me crazy(drives me crazy)
And I think that maybe(I'm just about to lose my

Control ohohohoh)
Your love drives me crazy(woo woo woo woo)And

Just a part of me and it's with you I rather be
