If I had my way, I'd never speak to anyone again
I gotta say, I hate people I'm so sick of them
I just can't stand the bullshit I wish I was so far away
from it
I'm just stupid and I'm angry is it immature for me to
say

Fuck all you Motherfuckers
Fuck all you Motherfuckers
Fuck all you Motherfuckers
FUCK YOU!
Fuck all you Motherfuckers
Fuck all you Motherfuckers
Fuck all you Motherfuckers
FUCK YOU!

I feel so lame, 'cause that's the best I can do to express
myself
It's always the same, say the "F" word maybe that'll
help
I'm so sick of trying to fit in, I don't even know where to
begin
I got friends but they don't know me,
But I'd tell the world to blow me

[Chorus]

And there's just one more thing that, I have just got to
sing ya
Everyone and everything FUCK YOU!

[Chorus]
