my god's sleeping on a bed of creamy clouds
hoping to go unnoticed far from the madding crowd
as she whispers, oh, as she whispers, oh
baby baby baby baby baby baby baby baby baby
hush now sleep
baby baby baby baby baby baby baby baby baby
as she gently weeps
my god's walking on a lake of frozen love
saying "where's the perfect plan that i sent down from
us above?"
as she whispers, oh, as she whispers, oh
baby baby baby baby baby baby baby baby baby
hush now sleep
baby baby baby baby baby baby baby baby baby
as she gently weeps
red blood on golden sands
what's happening in the promised land?
as she whispers, oh, as she whispers, oh
as she whispers, oh
baby baby baby baby baby baby baby baby baby
hush now sleep

baby baby baby baby baby baby baby baby baby baby

as she gently weeps
