Cocooned, Cocooned, Am I by your love

Cocooned, So soon Am I?

I do, my best, not to forget my

Promise, to not get, cocooned

But it isn't all that easy

Sticking to my theory

That life is a straight and single road

And even more alarming

When noone is disarming

That I'm wondering

If I am

Cocooned, Cocooned, happy I've chosen

To let, myself, so soon

Get all caught up and safely woven

Promise, to keep me, cocooned...

But it isn't all that easy

Sticking to my theory

That life is a straight and single road

And even more alarming

When half the world is starving

That I'm wondering

If I am

Cocooned,

Promise to keep me cocooned
