Who'd have thought this is how the pieces fit

You and I shouldn't even try making sense of it

I forgot how we ever came this far

I believe we had reasons but I don't know what they are

Don't blame it on my heart, oh

Love moves in mysterious ways

It's always so surprising

When love appears over the horizon

I'll love you for the rest of my days

But still it's a mystery

How you ever came to me

Which only proves

Love moves in mysterious ways

Heaven knows love is just a chance we take

We make plans but then love demands a leap of faith

So hold me close and never never let me go

'Cos even though we think we know which way the river
flows

That's not the way love goes, no

(Repeat chorus)

Like the ticking of a clock two hearts beat as one

But I'll never understand the way it's done, oh

(Repeat chorus)

Love moves... in mysterious ways
