(I must like it when you hurt me
Cos I always let you hurt me
But not anymore)

You've got my heart on a string
You know I'd do anything for you baby, yeah
I've got my feet on the ground
So what I really mean is maybe

Can someone tell me why? Love always makes me cry
inside?
I'm sending up a prayer, if someone could take care
Of the strong and the weaker
And be my lover's keeper

I know boys will be boys, I still get annoyed with you
baby, yeah
And I pray in a word, oh no no no no no no maybe

Can someone tell me why? Love always makes me cry
inside?
I'm sending up a prayer, if someone could take care
Of the strong and the weaker
And be my lover's keeper

It's not that I don't trust you, because you know I always
do
I just can't help wondering why,
why love always makes me always makes me cry
inside.

Can someone tell me why? (You've got to tell me)
Love always makes me cry inside?
I'm sending up a prayer, if someone could take care
Of the strong and the weaker
And be my lover's keeper

Can someone tell me why love always makes me cry
inside?
I'm sending up a prayer, if someone could take care
Of the strong and the weaker

And be my lover's keeper
