[Lyrics Wulfstan]

On the fields of yesterdays, where many battle's been  
lost and won  
Great domains of seasons passed, where many a deed  
was done  
Shining lands of yesterdays, deep down they will  
always be ours  
Mighty paths of epochs gone, with all their olden  
powers

Wooded hills of yesterdays, throughout our England's  
soil  
Forests vast of times surpassed, stretched out for mile  
on mile  
Potent earth of yesterdays, I know you will always be  
ours  
Earth of our fatherland, with all it's olden powers

Olden paths of yesterdays, with their olden power  
Great domains of seasons passed, they will always be  
ours  
Mighty paths of epochs gone, throughout our  
England's soil  
Forests vast of times surpassed

Wooded hills of yesterdays, throughout our England's  
soil  
Forests vast of times surpassed, stretched out for mile  
'on mile  
Potent earth of yesterdays, I know you will always be  
ours  
Earth of our fatherland, with all it's olden powers
