The earth is shaking
Well so am I
If you don't run
It's suicide

Big Boy
Big Boy

My name is David
But he don't care
He's never nice
And never scared

Big Boy
Big Boy

Big Boy comes around
Throws his weight around
Throws our girls around
Leaves without a sound

Big Boy
Big Boy

He's well-equipped
The girls are sure
Is that a guess
Or something more

Big Boy
Big Boy

We're bored to tears
Until he comes
And then we're crying
Cause he's come
