We got it all sewn up  
Takin' it easy  
We got it all worked out  
Don't have to please me  
We got it all sewn up

Take my hand, lead me  
Feed my heart with your love  
Take my mind, believe me  
Nothin' you could ever do could deceive me

Don't you know we got it all sewn up  
Takin' it easy  
We got it all worked out  
Don't have to please me  
We got it all sewn up

Right or wrong, we're together  
It feels like it's workin' out long  
We can go on forever  
Every day is feeling so much better

Don't you know we got it all sewn up  
Takin' it easy  
We got it all worked out  
Don't have to please me  
We got it all sewn up

We don't depend on nuthin' to get by  
What we do we see eye to eye  
We live for the day our love we survive  
And I'm gonna to both till the day that we die

We got it all sewn up  
Takin' it easy  
We got it all worked out  
Don't have to please me

We got it all sewn up  
Takin' it easy  
We got it all worked out

Don't have to please me

We got it all sewn up

Takin' it easy

We got it all worked out

Don't have to please me
