I've been on this road a long time
I've been traveling for days
But it seems I'm getting nowhere
I just can't find my way
I've been following directions
But they must be out of date
And I can't, and I can't, and I can't, no I can't
Decide which road to take

See I've got to find my baby
'Cause we need to work things out
I've got to see that woman now
I cannot do without her

You know I can't wait, can't wait another moment
I can't wait, I can't wait another heartbeat
No I can't wait, I can't wait another moment
I couldn't wait another heartbeat
I can't wait until midnight

And the nights go on forever
These days I get no sleep
And I miss her more than ever
Inside where love runs deep
Oh, I know I'm going to find her
'Cause I'm following this star
And I can't, and I can't, no I can't turn back
Oh Lord, I've come so far

And I'll know she'll whisper in my ear
'Bout all the things I've missed
She's got that way about her now
I never could resist

And now I can't wait, can't wait another moment
No I can't wait, I can't wait another heartbeat
I can't wait, I can't wait another moment
I couldn't wait another heartbeat
I can't wait until midnight

No I can't wait
I can't wait another moment

I couldn't wait another heartbeat
I can't wait until the midnight

No now I can't wait
No no no, can't wait
No no no, I can't wait
No no no, I can't wait
No no no, I can't wait
Can't wait, can't wait, can't wait, can't wait
I can't wait
Can't wait, can't wait, can't wait, can't wait
