(Spurn)

I find myself in a strange situation
And I don't know how
What seemed to be an infatuation
Is so different now
(Aaaah) I can't get by if we're not together
(Eeeeh) ooh, can't you see?
(Aaaah) girl I want you now and forever
(Eeeeh) close to me...Aaaah

I'm longing for the time
I'm longing for the day
Hoping that you will promise to be mine
And never go away

I don't want to live without you
I don't want to live without you
I could never live without you
Live without your love
Ooh ooh ooh ooh

(Aaaah) I ask myself but there's no explanation
(Eeeeh) for the way I feel
(Aaaah) I know I've reached the right destination
(Eeeeh) And I know it's real

I'm longing for the time
I'm longing for the day
When I'll be giving you this heart of mine
Believe me when I say

I don't want to live without you
I don't want to live without you
I could never live without you
Live without your love
No, I don't want to live without you
I don't want to live without you
I could never live without you
Live without your love
Now I don't want to live without you
I don't want to live without you

I could never be without you
Be without your love
I don't want to live without you
Live without your love

(Aaaah) (Live without your love) live without your love
(Aaaah) (Live without your love) you see I'm lost without
your love
(Aaaah) (Live without your love) ooh ooh ooh oooh, ooh
ooh ooh ooh oooh
(Aaaah) (Live without your love) without your love
(Aaaah) I can't live without it
(Live without your love) I can't live without your love
