I gotta take a little time
A little time to think things over
I better read between the lines
Incase I need it when Iâ´m older
Ohhhh
This mountain I must climb
Feels like the world upon my shoulders
Through the clouds I see love shine
It keeps me warm as life grows colder
In my life thereâ´s been heartache and pain
I donâ´t know if I can face it again
Canâ´t stop now
Iâ´ve travelled so far to change this lonely life

Chorus

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

Iâ´m gonna take a little time
A little time to look around me
Iâ´ve got nowhere left to hide
Looks like love has finally found me
In my life thereâ´s been heartache and pain
I donâ´t know if I can face it again
Canâ´t stop now
Iâ´ve travelled so far to change this lonely life

Chorus
