Monday, Tuesday, three days and more
Pretty soon you don't know anymore
Friday, the sixth day, Saturday seems late
Don't know how much longer I can wait

Ooh, could ya wait 'til I get home
Ooh, we need to be alone
'N' I don't wanna lose
My love on the telephone

You make me nervous 'cause the line's engaged
I can't believe we let it get to this stage
Sittin' here waitin' for you to give me a sign
You know I got my heart on the line

Ooh, I know that I was wrong
Ooh, I've been away too long
I can't stand to lose
My love on the telephone

Hello operator
You know that I've been waitin' on this call
I said, hey, operator
If you're givin' me a bad time

I'm gonna tear this phone right off the wall

Monday, Tuesday, three days and more
Pretty soon I don't know anymore
Friday is the sixth day, Saturday seems late
Don't know how much longer I can wait

Ooh, could ya wait 'til I get home
Ooh, we need to be alone
'N' I don't wanna lose
My love on the telephone

Ooh, I'm runnin' out of time
Ooh, my heart is on the line
'N' I don't wanna lose
My love on the telephone

Ooh, maybe I was wrong
Ooh, I've been away too long
'N' I can't stand to lose
My love on the telephone

Ooh, could ya wait 'til I get home
Ooh, we need to be alone
'N' I don't wanna lose
My love on the telephone
