Well I woke up this morning  
I took your advice  
I dialed the number  
And I let it ring twice, then I hung up

Now I tried to do  
Everything I could  
To save our love  
And make it feel good, again

I can't fight it, there's nobody home  
Hard hearted, and all alone  
I give you love, you ain't giving it back, I can't take it

I need to see the soul doctor  
Before the fever begins  
You know I'm searching for the soul doctor  
When love is wearing thin  
Doctor soul is in

I've been kicked in the corner  
I'm down in the dirt  
I can't feel a thing  
But I know it oughta hurt

Now you're shaking my spirit  
I'm breaking my back  
I'm too blind to hear it  
So I over react to satisfaction, if I could get me some

I ain't talking, there's nothing to say  
Misunderstanding, you're walking away  
Maybe baby, it's gonna take time, time, time

I need to see the soul doctor  
Before the fever begins  
You know I'm searching for the soul doctor  
When love is wearing thin  
Doctor soul is in

I need to see the soul doctor  
You know things are looking grim

I keep searching for the soul doctor  
Doctor soul is in

Aaah-aaah, aaah-aaah  
Aaah-aaah, aaah-aaah

The doctor's soul intention  
Let it be understood  
Can't pull the strings of my heart  
I ain't made outta wood

Now I take what I get  
To get what it takes  
Need a little bit of love  
Got a whole lotta heartaches

I can't fight it, there's nobody home  
Hard hearted, and all alone  
Maybe baby, it's gonna take time, time, time

I need to see the soul doctor  
Before the fever begins  
You know I'm searching for the soul doctor  
When love is wearing thin  
Doctor soul is in

I need to see the soul doctor  
You know things are looking grim  
I keep searching for the soul doctor  
Doctor soul is in

(Hey, a little bit of soul) aaah-aaah, aaah-aaah  
(Oh yeah) aaah-aaah, aaaaaah  
(Doctor soul is in) aaah-aaah, aaah-aaah  
(Heart and soul doctor) aaah-aaah, aaaaaah  
(I need to see the soul doctor) aaah-aaah, aaah-aaah  
(Soul doctor) aaah-aaah, aaaaaah  
(Doctor soul is in) aaah-aaah, aaah-aaah  
(Doctor, doctor, doctor, doctor save my soul) aaah-  
aaah, aaaaaah  
Aaah-aaah, aaah-aaah  
Aaah-aaah, aaaaaah  
(Doctor soul is in)  
Aaah-aaah, aaah-aaah  
Aaah-aaah, aaaaaah  
(Oooh)  
Aaah-aaah, aaah-aaah  
Aaah-aaah, aaaaaah  
Aaah-aaah, aaah-aaah  
Aaah-aaah, aaaaaah
