I thought I knew you well  
But all this time I could never tell  
I let you get away  
Haunts me every night and every day

You were the only one  
The only friend that I counted on  
How could I watch you walk away?  
I'd give anything to have you here today  
But now I stand alone with my pride  
And dream that you're still by my side

But that was yesterday  
I had the world in my hands  
But it's not the end of my world  
Just a slight change of plans

That was yesterday  
But today life goes on  
No more hiding in yesterday  
'Cause yesterday's gone

Ooo

Love, my love I gave it all  
Thought I saw the light when I heard your call  
Life that we both could share  
Has deserted me, left me in despair  
But now  
(But now)  
I stand alone with my pride  
Fighting back the tears I never let myself cry

But that was yesterday  
Love was torn from my hands  
But it's not the end of my world  
Just a little hard to understand

That was yesterday  
But today life goes on  
You won't find me in yesterday's world  
Now yesterday's gone

Goodbye yesterday  
Now it's over and done  
Still I hope somewhere deep in your heart  
Yesterday will live on  
Ooo
