You're not shy
you get around

You wanna fly
don't want your feet on the ground.
You stay up
you don't come down

You wanna live
you wanna move to the sound.
Got fire in your veins

Burnin' hot but you don't feel the pain

Your desire is insame

You can't stop until you do it again.
Sometimes I wonder as I look in your eyes

Maybe you're thinking of some other guy;
But I know
yes
I know how to treat you right -
That's why you call me in the middle of the night.

You say it's urgent - so urgent

U-u-u-urgent - just you wait and see
How urgent our love can be - it's urgent!

You play tricks on my mind

You're everywhere but you're so hard to find

You're not warm or sentimental
You're so extreme
you can be so temperamental.
But I'm not looking for a love that will last

I know what I need and I need it fast.
Yeah
there's one thing in common that we both share

That's a need for each other anytime
anywhere.

It gets so urgent - so urgent
you know it's urgent -
I wanna tell you it's the same to me - so-o-o-o urgent!
Just you wait and see how urgent our love can be -
It's urgent!

You say it's urgent - make it fast
make it urgent

Do it quick
do it urgent - gotta rush
make it urgent

Want it quick
make it urgent - urgent emergency

Urgent
urgent emergency

Urgent
urgent
urgent
urgent emergency
