maybe i'm just a hero in the story,  
maybe your just the same as me.  
but if its true we can make our own government,  
just how we want it to be.  
everyday we have again a sunday,  
everyone to know the music that we play.  
and then no one is gonna show it's never over, yeah!  
turn it up, cuz no one gonna get us down.  
turn it up, I only wanna hear the sound.  
of this rockin and rollin, hit the 6 string that i'm holdin.  
turn it up, cuz no one gonna get us down.  
turn it up, I only wanna hear the sound.  
of this yellin and singin, or the symbols hear them  
ringing  
monday morning gonna fly out to mexico  
tuesday night we're gonna rock out the show  
can i call you when you touch down in the uk,  
we gotta fly all night.  
then by friday we'll be back in america  
gotta tell you we'll feel real good  
to see my family crank up the music loud  
turn it up, cuz no one gonna get us down.

turn it up, I only wanna hear the sound.  
of this rockin and rollin, hit the 6 string that i'm holdin  
turn it up, cuz no one gonna get us down.  
turn it up, I only wanna hear the sound.  
of this yellin and singin, or the symbols hear them  
ringin  
and i gotta know, will i see you at the show  
will i see you there in the crowd  
cuz its gonna be (gonna be)  
cuz its gonna be LOUD!  
turn it up, cuz no one gonna get us down.  
turn it up, I only wanna hear the sound.  
of this rockin and rollin, hit the 6 string that i'm holdin  
turn it up, cuz no one gonna get us down.  
turn it up, I only wanna hear the sound.  
of this yellin and singin, or the symbols hear them  
ringin
