In the fields of green  
Her silhouette towards the sky  
Under the dying sun  
I see her die

In the fields of green  
An arrow of death  
A dying beauty breathing  
Her last breath

In the fields of green  
Under the dying sun  
I cry out  
In grief for my beloved one

A symbol of life and hope she was to me

Now pain and suffering is all I can see  
An act of vengeance for the deeds I've done  
Why must she pay with a life now gone

I lay down beside her and gaze into the sky  
Eyes filled with tears why must she die

In the fields of green  
Under the dying sun  
I cry out  
In grief for my beloved one
