your sickness comes  
when you let go from  
what we held together  
now I see where I went wrong  
youÃƒfÃƒÃ…Ãƒ,ÃƒI take your last breath  
IÃƒfÃƒÃ…Ãƒ,ÃƒI left drowning in  
your eternal voice  
everyday it grows stronger  
when you lose the  
will to hold on now  
we can not be destroyed  
i wont give up  
on this life  
we can not forget  
we can not survive  
with out the passions  
to break this silence  
I cant handle being without  
alone IÃƒfÃƒÃ…Ãƒ,ÃƒI frightened of death  
and since you left

my heart is black  
fill myself  
with this anguish  
holding onto your soul  
I cant wipe these tears  
sadness pins me down  
and since the day  
that you left us  
the day has been so dark  
I wont let  
you fade away  
we love you
