"Final Mile"

I stroll along the streets of light
Trying to find my way back home tonight
Let my guard down once too many times
Lesson learned as I walk behind

CHORUS:

Cause you walk the final mile
And I crawled that final mile
But you never left me behind
Now I found the time to walk the final mile

Open arms to me is nothing new
Should have known, I've seen the best of you
Getting nowhere 'til I found the truth
Walking forward in a new found youth I found in you

CHORUS:

Cause you walk the final mile
And I crawled that final mile
But you never left me behind
Now I found the time to walk the final mile
