So you've been hard at work twisting the knife and now
you've got me just right where you want.
Cos I've taken the bait, I've given up everything just to
put a smile back on your face

Blinded from good reason
(Reason)
Just wish that I hadn't listened.

(Never Enough)

Is love, Is love enough for us?
Is love enough?
Is love ever enough for us?
It's never enough
Never enough

I've been told from the start don't let it get to your
heart,
Now I know how hard it can be to share,
Blinded by these emotions inside,
I neglected everybody in sight,
Now I see that love is blind
(Blinded)
Now I've got to make things right
(Never Enough)

Is love, Is love enough for us?
Is love enough?
Is love ever enough for us?
It's never enough

(Ohh Woah Oh)
Never enough
(Ohh Woah Oh)
(Yeah)

Can't believe what you're doing to me
Love is ruining everything
'Cause this feeling is so unreal it's like a dream
But all dreams come to an end

(Is love) Is it enough for us?
(Is love) Full of broken promises?
(Is love enough) 'Cause doesn't equal happiness
(Is love) Is love (Is love) Is love (Ever enough) Baby
Baby
(Is love) Is love (Is love) Is love ever enough
Enough (Is love) Never Enough (Is Love) Never Enough
(Ever Enough)
Never Enough
Ever Enough
