I can see it in your eyes
Just what led to our demise
If i can change time
Baby you'd be mine
Take back everything i said
Show you love instead
Do my best
To make things right
If all goes
Well, you'll be
In my arms tonight

Remember when we were right
I wouldn't have to say a word
I take back everything you heard
I'm so in love with you girl
But it can't be
Cause you're not mine
So i'll keep you
In my dreams tonight

I can see it in your eyes
Just what led to our demise
If i can change time
Baby you'd be mine
Take back everything i said
Show you love instead
Do my best
To make things right
If all goes
Well, you'll be
In my arms tonight

So i swear
I won't stop breathing
So come back
And make this a reality
And if i see you again tonight
I know i can make this right

I can see it in your eyes
Just what led to our demise

If i can change time
Baby you'd be mine
Take back everything i said
Show you love insted
Do my best
To make things right
If all goes
Well, you'll be
In my arms tonight

Girl you, girl you
Got me running around
In circles for you
And i don't mind it
I don't mind it

I can see it in your eyes
Just what led to our demise
If i can change time
Baby you'd be mine
Take back everything i said
Show you love insted
Do my best
To make things right
If all goes
Well, you'll be
In my arms tonight
