[krs-one]

Hah, giddyap!

Ha ha ha hah..

Another dope dope dope style

By the massive bdp crew

Of course, I will now present to you

A different view, for 1990

Of course, eighty-nine is behind me

Check it out

It's called breath control, breath control, breath control
stylee

Breath control a-lone, breath control a-lone

Breath control, breath control, breath control stylee

Breath control a-lone..

It's krs-one, yes the t'cha

I wear clarks and only nike sneaker

In your speaker, is the new style

Dedicated to the intelligent child

In the front row, or behind me

We're gonna pull somebody file for the 90's

You want lyrics? we come correct

Bdp, only movin with respect

The other mc's, they can't believe me

A when I rhyme it sound just like a cd

We don't lip-sync, we go all live

On stage, I bring about four or five

That's d-nice, sydney, and melodie

And myself, harmony, and willie d

We come humble, we just grumble

While other mc's crew just crumble

They want dancers, they want lighting

They want effects, to make them look exciting

But it's frightening, cause without that

The whole crew, is whick whick whick whack

Bdp comes, with the cheapest

And perform miracles like jesus

The total respect, we achieve it

And the big head-liner can't believe it

It's called breath control, breath control, breath control

stylee
Breath control a-lone, breath control a-lone
Breath control, breath control, breath control stylee
Breath control a-lone.. get ready for the break..

Ha ha ha ha ha hah..
Well the styles i, usually dish out
Are so dope that you don't wanna miss out
We got pages, of the dope stuff
So in the record store, you can't pass by us
Get the album, hear the music
And hold on so you just don't lose it
As a reference, for any mc
That wanna test, k-r-s, o-n-e
Cause I've been watchin, these other rap groups
They walk around like they're some kinda big soup
You can't touch them, you only see them
In a arena or big coliseum
So when you watch them, for a second
Them sound nuttin like they do on record
Them sound cheesy, them sound wheezy
For twenty dollars boy you know them never please me
So I see this, and prevent this
It's like goin for a checkup at the dentist
Cause when you come to a bdp performance
The microphone, had better have endurance
Cause we'll check it, and then wreck it
And then the soundman has got to accept it

Because it's breath control, breath control, breath
control stylee
Breath control a-lone, breath control a-lone
Breath control, breath control, breath control stylee
Breath control a-lone.. take it out..
