Black drug dealer, you have to wise up  
And organize your business so that we can rise up  
If your gonna sell crack then don't be a fool  
Organize your money and open up a school

Drug dealer, understand historical fact  
Every race got ahead from sellin drugs except Black  
We are under attack, here comes another cold fact  
In the 30's and 40's a drug dealer wasn't black  
They were Jewish, Italian, Irish, Polish, etc. etc  
Now in 90 their live's a lot better  
They'll sell you a sweater, a pair of pants cold hearted  
But first sellin drugs and killin people is how they  
started  
Drug dealer, black and Hispanic, stop killin one another  
Cause in the ghetto we're all brothers  
Organized economically, understand the psychology  
America is the drug monopoly  
They own the block and kill your brother for  
Therefore, we got the same enemy - what's more, I go  
on tour  
But who do you think picks up the bill?  
A hard workin fireman? Chill

Black drug dealer, you have to wise up  
And organize your business so that we can rise up  
If your gonna sell crack then don't be a fool  
Organize your money and open up a school

Black drug dealer, you have to wise up  
And organize your business so that we can rise up  
If your gonna sell crack then don't be a fool  
Organize your money and open up a school

Eighty percent of American business is created illegally  
This is a fact I don't ask you to believe in me  
If you're really in the drug game to win it  
Eventually you're gonna get shot, open a clinic  
Again, if you're really in the drug game to win it  
Invest in a prison, therefore you can be put in it  
Everyone else did it now they chillin  
Above the law, while your under the law still killin

One another, wake up my Hispanic brother, my African  
brother  
America's not your mother  
Or your father, so don't bother with right or wrong  
Just check out the logic in the song  
Organize, realize, become un hypnotized  
To the lies that your livin for the get high  
See many people have forgotten the fact  
That America was never ever built for Black  
So when some people are gonna run and buy crack  
Take the money and put it back into Black  
It's only logic, see KRS-One will rock it  
With knowledge, education for the people I'll never  
stop it  
Organize and legitimize your business  
Remember, everybody else did this

Black drug dealer, you have to wise up  
And organize your business so that we can rise up  
If your gonna sell crack then don't be a fool  
Organize your money and open up a school

Black drug dealer, you have to wise up  
And organize your business so that we can rise up  
If your gonna sell crack then don't be a fool  
Organize your money and open up a school
