By All Means Necessary

Written, produced, directed by Blastmaster KRS-One

Mixed, by DJ Doc

And now it's time to get

(Nervous)

BDP is in full and total effect

I'm gonna shout out a couple of names

We're gonna do it like this

DJ Doc, Manager Moe, Ms. Melodie I.C.U, McBoo

(Nervous)

D Nice, Scott LaRock, KRS-One, I think that's me

And you know what? I'm down with BDP

(Nervous)

So right about this time

You should throw your hands up in the air

How many people got Nike's on?

If you got your Nike's on, put your feet up in the air

If you don't got Nike's on

I think you need to keep your feet down

'Cause the party is live

(Nervous)

And we're in total stereo, ya kno what I'm sayin'?

So all the suckers out there that wanna test

It's time to get

(Nervous)

And at this point, we gettin' a little stupid

I'd like to say, DJ Doc is in the back chillin' out

On the 48 track board without a doubt

Break it down Doc, like this

(Nervous)

I'd like to give a shout out to who?

Big Daddy Kane, Heavy D and Eric B

Melody, D-Square

(Nervous)

So just throw your hands in the air  
Just throw your hands in the air  
KRS-One is here without a care  
And I don't have no fears homeboy  
So all the suckers out there that wanna test BDP  
It's time to get  
(Nervous)

Now, here's what we do on the 48 track board  
We look around for the best possible break  
And once we find it, we just break  
Or we just break  
(Nervous)

There's two ways to do this, you see what I'm sayin'?  
If you feel the board, you feel around  
We got tracks one to track 48  
We find track seven and break it down  
(Nervous)

Okay, this album has been funded  
By the Blastmaster KRS-One Fund  
Ha, ha, ha, ha, ha, ha, ha  
You know what? We're gettin'  
(Nervous)

Okay, we gon' play a little game  
Break it down Doc  
Like this or like this  
(Nervous)

You know what? I used to be a graffiti artist  
I used to write KRS-One all over the place  
All up in Soundview, in Brooklyn  
Then when the cops come for you, ha, ha, ha  
You just get  
(Nervous)

And another thing  
Me and my crew, we made hit records all over the  
place  
But we left B-Boy Records  
And you know what happened after that point?  
Ha, ha, they just got  
(Nervous)
