World peace.. or world talk? !

Yeah..

One, two, three, four!

If we really want world peace
And we want it right now
We must make up our minds to take.. it..
Right now!
If we really want world peace
And we want it right now
Right now!
We must make up our minds to take.. it..

[krs-one]

Take it.. right now..

Don't hesitate! (world peace)

You want world peace? (world peace) (peace.. take it)

Or world talk?

(world peace..)

(world peace..)

(world peace..)

Yo, a lot of people are under the assumption
That peace, is soft or somethin
We must begin to reprogram our thought
From, how we were taught
Back in school, and our tv screens
Strength, is always mean
Love, is always soft
And peace is too peaceful
When all are equal
Sit back, and read the papers
About the murderers, thieves, and rapists
We depend on police for justice
But when do we say, enough is enough
Right now, and call their bluff
It's not a matter of frontin like you're tough
It's a matter of takin yours
And livin universal laws

Cause those laws, cannot be bribed
Nor changed, or paid on the side
You must come correct and walk straight
More love, less and less hate
When you walk, walk with authority
Tell the negative people, don't bother me
Move your face away, I ain't with it
In a minute, I'm gonna hit it!

If we really want world peace
And we want it right now
We must make up our minds to take.. it..
Right now!
If we really want world peace
World peace..
And we want it right now
.. or world talk
We must make up our minds to take.. it..

Break it down!
Take it, yeah!
World peace..
Yeah.. come in..

Crash, smash, don't ask
When the negative disrupts the class
How much longer? get stronger
The battle is getting longer
World, peace, or world talk
Do we run? or do we walk? (charge)
If you want world peace, take it
Cause a lot of our leaders fake it (fraud)
It's similar to armageddeon
When the positive people stop lettin
The negative, control, how we live
Listen to the music I give!

If we really want world peace
And we want it right now
We must make up our minds to take.. it..
Take it!
If we really want world peace
And we want it right now
World peace.. (right now!) ..or world talk?
We must make up our minds to take.. it..

Take it!
If we really want world peace
And we want it right now
World peace!
We must make up our minds to take.. it..

Right now!
If we really want world peace
And we want it right now
Come in now..
We must make up our minds to take.. it..
World peace.. or world talk? !

If we really want world peace
Yes I do
And we want it right now
When can I get it?
We must make up our minds to take.. it..
Come in!
If we really want world peace
That's it
And we want it right now
Right now
We must make up our minds to take.. it..

I want it now!
If we really want world peace
I want it right now!
And we want it right now
We need it right now!
We must make up our minds to take.. it..
No talk.. world peace!
If we really want world peace
Peace! *echoes*
