(Alice:)

Darkness you got my soul  
I feel you across my veins,  
My heart is getting cold,  
Guide me trough eternity,...

(The Oracle:)

Darkness I got your soul  
I feel you across my veins,  
Your heart is getting cold,  
I will guide you trough eternity,...

(Alice:)

Run away,  
My sacrifice is just...  
My life and my sins are silence

My secrets are in my mind  
My life is not secure

(The Oracle:)

Now you'll born in me,  
The night will be our day,  
You will learn to feel the  
Real life,...

(Alice:)

Run away.  
I want to be free  
My life is an imperfect dream  
My secrets are in my mind  
My life is not secure

In the lost night  
Souls are flying so far  
I saw a dark way  
You were crying, I was faraway

The equilibrium is broken  
You sacrifice destroyed  
Our country  
You won a point in your goals

We lost all, Alice saves us

Travel to a city  
The name is Tenebra  
Warrior monks are their guardians  
Discover their secrets,  
Alice will save us
