In lunatic asylum  
she found a door  
her parents were killed  
their blood was in her hands

Con su mirada en tierra  
sus ojos ocultan secretos

Innocent! Alice tortured by Darkness  
Innocent! The Shades will get you down

Innocent Alice  
is tortured by darkness  
how a strange fantasy  
in Dante's paradise

Con su mirada en tierra  
sus ojos ocultan secretos

Innocent! Alice tortured by Darkness  
Innocent! The Shades will get you down

In the shades of the night  
and fire in her eyes

Con su mirada en tierra  
sus ojos ocultan secretos

Innocent! Your soul  
come back to the Shades.  
Her sweet voice shakes  
with this sentence

Con su mirada en tierra  
Alice reclama el destierro
