Hey, you always seem to catch me when I'm lying
About the stupidest of things
Okay, stay there while I'll stab you in the back with the
words
I never, never, never should have taken this so far

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

I could write about a thousand songs to impress you
But I wouldn't want to do that
I could make you feel like the queen of the world, but I
won't
'Cause you're full of imperfections

And this is coming from a third perspective

All I'm saying is you need to be selective
This is coming from a gentleman
With your needs in mind, I've got his on the side

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead, go ahead
And think how you hate me so bad
