I want all the right words to write from the tip of my tongue,
I want girls coming over at the push of a button,
I bet it's nice looking down from the top of the world,
I want to feel like I've never felt before..

Hey, I got it all worked out,
It's me, not you, I'm thinking about,
Hey, I got it all worked out,
It's me, not you..

I want the good life, spotlights, fortune and fame,
I want the good life, oh oh,
Maybe rich, can't be poor,
Can't be broke anymore,
I want the good life, oh oh,
I want the cars, the cash, the girls, the world,
I want everything that I don't want(?).
I want the good life, oh oh..
I want it all..

I want all the nice things in life I can never afford,
I want to go places I have never been before,
Own a house, have a car I can take for a ride,
Around town, turning exit, every traffic light,

Hey, I got it all worked out,
It's me, not you, I'm thinking about,
Hey, I got it all worked out,
It's me, not you..

I want the good life, spotlights, fortune and fame,
I want the good life, oh oh,
Maybe rich, can't be poor,
Can't be broke anymore,
I want the good life, oh oh,
I want the cars, the cash, the girls, the world,
I want everything that I don't want(?).
I want the good life, oh oh..
I want it all..

Lend me some money, loan me the keys to your car,

Have a great trip, I'll take care of everything while
you're gone,

I want the good life, oh oh [x4]

I want the good life, spotlights, fortune and fame,
I want the good life, oh oh,
Maybe rich, can't be poor,
Can't be broke anymore,
I want the good life, oh oh,
I want the cars, the cash, the girls, the world,
I want everything that I don't want(?).
I want the good life, oh oh..
I want the good life, oh oh..
I want it all..
