I could tell from the look in her eye
Yeah, that's the kind of girl
Yeah, that's the kind of girl that I
Would like to spend a night on the town with

I can make a bet against the best
Saying I'm a genuine hypocrite
When it comes to choosing girls
With blond hair over brains

It's like a let down
So much for good times

You've got my head spinning
Heart beating out of my chest
I'm a sucker for lovers, for lovers
You've got my head spinning
Heart beating out of my chest
I'm a sucker for lovers, for lovers

And I'm smoother than words
You're smoother than curves, girl, yeah
I speak so eloquently

That you won't have a chance to deny me, yeah
I could never leave a girl like you alone, whoa
I could never leave a girl like you at home

You've got my head spinning
Heart beating out of my chest
I'm a sucker for lovers, for lovers
You've got my head spinning
Heart beating out of my chest
I'm a sucker for lovers, for lovers

You've got my head spinning
Heart beating out of my chest
I'm a sucker for lovers, for lovers
You've got my head spinning
Heart beating out of my chest
(Got my head spinning
heart beating out of my)

I'm a sucker for lovers, for lovers
