So get in or get out before your mom cracks down,
Honest, it's a touch, to much a get down.
So get up or lie down cause either way we're making
out tonight,
Alone, alone tonight.

I put forth the effort to keep you happy for a while
We're two weeks in
And here we go again.
Here we go again.

And when it's over and done...

I cannot get out of this place that I am in.
When every one of your words
They mean nothing
(If I cannot be close to you)
Where do you get off telling me,
(If I cannot be close to you)
Constantly what I'm gonna be?
I'll be just fine
If I cannot be close to you.
(To you)

And so you gave me a second chance
It was my first attempt to make you believe me.
So, tell me the way you felt the morning after.
Tell me the way you felt.
You wanted to hear it, so hear it goes.

And when it's over and done...

I cannot get out of this place that I am in.
When every one of your words
They mean nothing.
(If I cannot be close to you)
Where do you get off telling me
(If I cannot be close to you)
Constantly what I'm gonna be?
I'll be just fine
If I cannot be close to you.

Can't we just agree to disagree? It's a sad thing.
(Come on baby, I don't want to)
Can't we just agree to disagree? It's a sad thing.
(I don't want to)
Can't we just agree to disagree? It's a sad thing.
(Come on baby, I don't want to)
Can't we just agree to disagree? It's a sad thing.
(I don't want to)

And when it's over and done
I cannot get out of this place that I am in.
Oh, this place that I am in.

I cannot get out of this place that I am in.
When every one of your words
They mean nothing.
(If I cannot be close to you)
Where do you get off telling me
(If I cannot be close to you)
Constantly what I'm gonna be?
I'll be just fine
If I cannot be close to you.
