I'm made of nothing but a shoeless box of memories,  
I needed time just to breath,  
All you wanted for Christmas baby was a promise ring  
I needed time just to think

If sometime between now and then,  
We both just fell in love again,  
We don't have to spend this night alone,

I'll be home for Christmas,  
You can count on me,  
I'll be home for Christmas,  
If only in my dreams,  
It's you and me

Life seems to stand still when I'm caught up in your  
energy,  
I have to stop and hit play,  
My only wish this Christmas baby is that you're next to  
me,  
I've had my time just to think,

We are back here once again,  
So much is still undetermined,  
But we don't have to spend this night alone,

I'll be home for Christmas,  
You can count on me,  
I'll be home for Christmas,  
If only in my dreams,

And I'm wrapped in paper  
Christmas letter that I wrote her  
This time last year  
Hoping we'd be back together  
Feeling weightless  
Can this romance carry me away?

Carry me away?

I'll be home for Christmas

You can count on me  
I'll be home for Christmas  
If only in my dreams,  
It's you and me
