You checked the right side  
Forgot about the left  
You checked behind you  
Forgot about in front

You didn't see it coming  
You were already dead  
There was no way  
You could have prepared

Spinning it's web it lies in wait  
In the blink of an eye it's too late  
And the ones who thought they could handle it all  
They're the first to fall

NEVER UNDERESTIMATE YOUR ENEMY  
YOU'VE GOT TO KEEP YOUR HEAD  
IN ONE SWIFT MOTION IT COULD HAPPEN SO FAST  
YOU MAY NOT EVEN KNOW YOU ARE ALREADY DEAD

You checked the right side  
Forgot about the left  
You checked behind you  
Forgot about in front

You didn't see it coming  
You were already dead  
There was no way  
You could have prepared

The dragons stir deep in their hive  
Sniffing the air they come alive  
Each step you take could be your last  
Just pray that it happens fast

[chorus]

Don't go down that hall  
You may not like what you find  
Don't open that door  
You may not like what's inside

[chorus]

And everything you've done  
And every fight you've won  
And everything you've seen: it won't mean a thing  
Because you can't track it  
Can't stop it  
Can't escape it  
Can't outgun it  
Can't fathom where it is:  
But look behind you  
Cause there it is
