Still quiet
I'm still
Brown eyes that light the whole world

Stay quiet
I'm still
Here the whole night
I'm dyin for you

And i'll wait for you to call
But what i want so much more is

For you to be here
Here in my arms
And I'm dyin now
Just let me hold you
And never let you go

I'm here the whole night
Thoughts flashing all around my head

You dance the night away
Just don't forget about me dear

And i'll wait for you to call
But what i want so much more is

For you to be here
Here in my arms
And I'm dyin now
Just let me hold you
And never let you go

Now you're here
And you don't why
Just don't wait for
Wait for
Wait for
Just don't wait for
Wait for
Wait for

For you to be here
Here in my arms
And i'm dyin now
Just let me hold you
And never let you go
