I can tell you I'm ready but I'm not,
I can say that I care but it's not enough,
This summer's a one to remember,
And I won't forget..
Followed you to the west coast,
Take my hand and I won't let go..
This summer's a one to remember
So what are you waiting for..

This is the night, we came alive,
Into the summer times, state of mind,
Fight for the finish line,
We'll be ready til the sun comes up
Goodbye then give it up,
(Hey!Hey!)
This is our summer song..
(Hey!Hey!)

City lights of the 101
One on one tonight..
Your body language speaks to me,
Yeah, I'm hearing everything I need,
Calm down to a moonlit midnight kiss,
Your lips, girl, will go all night,
This summer's a one to remember
So what are you waiting for..

This is the night, we came alive,
Into the summer times, state of mind,

Fight for the finish line,
We'll be ready til the sun comes up
Goodbye then give it up,
This is our night, this is our time,
This is our last chance, all out fight for the finish line
We'll be ready til the sun comes up
Goodbye then give it up,

I don't want this to fade away..
As easy as it came..
I don't want this track to ever change,
Cause this is our summer song..

This is the night, we came alive,
Into the summer times, state of mind,
Fight for the finish line,
We'll be ready til the sun comes up
Goodbye then give it up,
This is our night, this is our time,
This is our last chance, all out fight for the finish line
We'll be ready til the sun comes up
We'll be ready! (Hey!Hey!)

This is our summer song.. (Hey! Hey!)

This is our summer song..
