[Talking]

Well, there's a party going on later on tonight
And everyone's invited
Plus you, you know, you know, you can't stop me.
I'm partial to your lips and your eyes
They both compliment your thighs
Oh, those thighs.

You're the first to arrive
The first to take a drink
The first to hit the scene
And you make all the guys
Stumble into walls
You're showing off those curves your hiding in that
skirt
Oh, that skirt.

You're such a flirt to every guy that you meet
And why is purity so beautiful to me?
A Filthy rag, a dirty whore, I have been
Could captivated as the prisoner of my sin

And You're first to arrive
The first to take a drink
The first to hit the scene
And you make all the guys
Stumble into walls
You're showing off your curves your hiding in that skirt
Oh, that skirt.

I lost my keys so I'll stay the night,
And lie on the carpet with you till you close your eyes,
Singing;
La la la la la la la la la la,
La la la la la la la la la la,
La la la la la la la la la la,
La la la la la la la la la la,

You're, the first to take a drink,
The First to hit the scene,
Oh Girl you're killing me,

And you're, the first to take a drink,
The First to hit the scene,
Oh Girl you're killing me.

La la la la la la la la la la,
La la la la la la la la la la,
La la la la la la la la la la,
La la la la la la la la la la.
