its been three days since you called me
i really don't no how much more of this i can take.
its me that's pathetic
checking my phone every single second.
to see if you been calling,
to see if you still want me.
you never came.

she was the one
the only one for me
i made mistakes but
she always forgave me
she was the one my only
sunshine she kept my feet
on the ground she kept my
head in the clouds.
she kept my head in the clouds.

so what do you gotta say for yourself
that i haven't heard from somebody else.
don't try to impress me with make believe
stories darling please spare me I'm
already hurting. and hey on the drive
home i heard our song on the radio it
didn't really burn at first but it came
hard when the coarse hit the second verse.
[so what do you think.]

she was the one
the only one for me
i made mistakes but
she always forgave me
she was the one my only
sunshine she kept my feet
on the ground she kept my
head in the clouds.(2x)

love it hurts, way to much.
love it hurts, way to much.

she was the one
the only one for me

i made mistakes but..

she was the one
the only one for me
i made mistakes but
she always forgave me
she was the one my only
sunshine she kept my feet
on the ground she kept my
head in the clouds.
she kept my head in the clouds.
