Say girl,
Every night you ask me to come over
And I came
(You better believe it)
Everytime you called
('Cause I wanted to be there)
As a matter of fact,
I was probably
waiting by the phone

If I would've known
What I know now
Woulda left when I had the chance
We were two weeks in it'll never last
If would've known
What you were thinkin'
Woulda ran for the hills
And then woulda stayed low key
'Til you're over it
'Til you're over it (oh oh)
'Til you're over it
'Til you're over it
'Til you're over it

Uh huh, uh huh
We're doing it
Way to well
Uh huh, uh huh
We're doing it,
We're getting it,
Getting it done

I give up now
Won't last forever
(There it is, I laid it down)

And if we can't be friends,
Then what can we be?
(I'm giving up, its not working out)

Maybe some day we can live
(Together forever)

And if we're not friends
Then what can we be?
(I'm giving up, its not working out)

Uh huh, uh huh
We're doing it
Way to well
Uh huh, uh huh
We're doing it,
We're getting it,
Getting it done

If I would've known
What I know now
Woulda left when I had the chance
We were two weeks in it'll never last
What you were thinkin'
Woulda ran for the hills
And then woulda stayed low key
'Til you're over it

Uh huh, uh huh
We're doing it
Way to well
Uh huh, uh huh
We're doing it,
We're getting it,
Getting it done
