We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

MTSK's, 2012's, Charlie bit me, you got it, this is for you  
Rob Peckner(?), appreciate that young pimp, Fearless  
Records, pop it!

Yellow diamonds in the light  
Now we're standing side by side  
As your shadow crosses mine  
What it takes to come alive

It's the way I'm feeling I just can't deny  
But I've gotta let it go, gotta let it go...

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Shine a light through an open door  
Love a life I will divide  
Turn away 'cause I need you more  
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

(Yellow diamonds...)

Yellow diamonds in the light  
Now we're standing side by side  
As your shadow crosses mine...

Break down... (x4)

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place
