"Who Invited The Monster"

And have you fallen in lust
Or have you fallen in love?
With her

And have you fallen in lust
Or have you fallen in love?
With her

Can you remember when?
Sitting on the ??
Hearing your mom say
You're so much better than him

Go, go, go
You re better than her, her, her
He's better than you, you, you
You're better than he, he, he

I tell you go, go, go
You re better than her, her, her
He's better than you, you, you
You re better than he, he, he
(I tell you go)

And have you fallen in lust
Or have you fallen in love?
With her

And have you fallen in lust
Or have you fallen in love?
With her

Hey baby I was just playing around
When I was flirting with your friend
I mean she s hotter than you but
You got the personality baby
I love you so much

Falling in love, I m falling in love
Falling in love, I m falling in love

Falling in love, I m falling in love
Falling in love, I m falling in love
Falling in love, I m falling in love
Falling in love, I m falling in love
Falling in love, I m falling in love
In love

And have you fallen in lust
Or have you fallen in love?
With her

And have you fallen in lust
Or have you fallen in love?
With her
