FTSK:

I candy-coat and cover everything
but I'm still hiding underneath
It's been a long time,
It's been a long time.
A thousand faces looking up at me
hands all pointing to the ceiling
Oh what a feeling.

Selena:

I've got friends in highly low places.

FTSK:

I'm standing on post, and I'm posted up
cant afford to lose them.

Selena:

I've got friends and highly low places.

FTSK:

I'll go inside when I wanna party
Grab a girl and dance

Selena:

(Don't touch me)

Both:

Whoa oh Whoa oh Whoa oh,
Why do I put myself in these situations.
Whoa oh Whoa oh Whoa oh,
I keep pushing myself even though
I can't take it at all, whoa

FTSK:

Girl,

Selena:

Yeah?

FTSK:

Who taught you how to move like that?

Selena:

You did

FTSK:

At this pace you're at you're at you're going way too
fast

Selena:

Ha

FTSK:

I, I saw you far across the room

It's me vs. every guy

It's your choice, you choose

Selena:

I've got friends in highly low places.

FTSK:

It's been a long time it's been a long time

Selena:

Ha

Both:

And maybe baby you can rise above the rest to meet
me and

Both:

You're worth,

losing my self esteem

Your clever words mean

nothing more to me than

than a line i heard in a movie

You're worth,

losing my losing my losing my self esteem

FTSK:

You're not worth,

Both:

Putting myself in these situations

Selena:

Why do I put myself in these situations
