It's 3Am And The Stars Are Shrinking  
My clear sky and moon have died.  
Grab my hand and pull me close dear.  
AND I swear I wont leave your side

And your kisses give me butterflys  
They give me stars in my deep blue eyes  
The last time I layed my eyes on you  
I thought I'd never breathe again  
You said, I'm incapable of love  
That's so, untrue I know that I can

Baby your what I need  
The air that I breathe  
Can't you see  
Your the one for me  
Your my starry skies  
Your my brand my new start  
Your my hurting chest and I

And your kisses give me butterflys  
They give me stars in my deep blue eyes  
The last time I layed my eyes on you  
I thought I'd never breathe again  
You said, I'm incapable of love  
That's so, untrue I know that I can

Late afternoon and your my sunset.  
Over my oceans your so beautiful  
I told you then that I'd be gentle  
Together dear were invinceable

And your kisses give me butterflys  
They give me stars in my deep blue eyes  
The last time I layed my eyes on you  
I thought I'd never breathe again  
You said, I'm incapable of love  
That's so, untrue I know that I can

Baby it's you I'm after  
And I swear I'm falling faster  
And if you loved me I'd be fine

Just knowing your always mine  
Just knowing this wont end  
Baby lets play pretend  
I'll be your romeo  
Standing at your castleside  
Will you accept me  
With my arms so wide

And your kisses give me butterflys  
They give me stars in my deep blue eyes  
The last time I layed my eyes on you  
I thought I'd never breathe again  
You said, I'm incapable of love  
That's so, untrue I know that I can

Oh juliet what do I have to do  
To show I L-O-V-E Y-O U
