What Once Was Love  
Is now lust  
It's now gone  
It's now lost  
I can't help but blame myself  
Because Were both to blame  
I wont fall for anyone else  
Because noone loves the same

You've got heroin in your lips  
Cause I'm addicted to your kisses  
You've got cocaine in your words.  
Because I can't help but listen  
You've taken bottles off the shelves  
This ones for her, At Eleven-Twelve  
You've got heroin in your lips  
Cause I'm addicted to your kisses  
You've got cocaine in your words.  
Because I can't help but listen  
You've taken bottles off the shelves  
This ones for her, At Eleven-Twelve

Sit tight  
I'll sing you to sleep  
It's night  
Cuddle in your sheets  
And I'll sing you to sleep  
Talks of how lifes not fair  
I'll replace your nightmares  
With the sweetest of dreams.

You've got heroin in your lips  
Cause I'm addicted to your kisses  
You've got cocaine in your words.  
Because I can't help but listen  
You've taken bottles off the shelves  
This ones for her, At Eleven-Twelve  
You've got heroin in your lips  
Cause I'm addicted to your kisses  
You've got cocaine in your words.  
Because I can't help but listen  
You've taken bottles off the shelves

This ones for her, At Eleven-Twelve

And I'd Say I feel so bad.  
I'd say I'm so alone  
I miss what we had.  
I just want to come home  
You leave me speechless  
With butterflys down low  
I'm out of breath  
With every last blow  
I feel the warm Chest  
And then I start to know  
There's nothing I can do  
It's bleeding, it's black and blue  
But my hearts always pumping for you

You've got heroin in your lips  
Cause I'm addicted to your kisses  
You've got cocaine in your words.  
Because I can't help but listen  
You've taken bottles off the shelves  
This ones for her, At Eleven-Twelve  
You've got heroin in your lips  
Cause I'm addicted to your kisses
