So this is under wraps
And I've been there before
Just knowing
Just holding on to what you've said
You'll miss you chance

To break a rule or two
And let this fire
Burn

I'll be the most fun
Waste of time
You'll ever have
I'll be the best love
That'll never last

You sit there in the shadows
You've lied to yourself before
Not daring, not sharing love
Anymore
I'm missing my chance

To break a rule or two
And let this fire
Burn

I'll be the most fun
Waste of time
You'll ever have
I'll be the best love
That'll never last
I'll be the high and mighty
Ride, of your life
It's over before it began

I am waiting for you
To come back down (come back down)
Come back down
I am learning
To be a better man
Yes, I am learning
To be a better man

And break a rule or two
Break a rule or two
We'll break a rule or two
And let this fire burn

I'll be the most fun
Way to spend time
You'll ever have
I'll be the best love
That'll last and last
I'll be the high and mighty
Ride, of your life
It's over before it began

I'll be the most fun
Waste of time
I'll be the most fun
Waste of time
I'll be the high and mighty
Love, of you life
It's over before it began

It's over before it began
