Nice girls, not one with a defect  
Cellophane shrink-wrapped, so correct  
Red dogs under illegal legs  
She looks so good that he gets down and begs

[Chorus:]

She is watching the detectives  
"Ooh, he's so cute"  
She is watching the detectives  
When they shoot, shoot, shoot, shoot  
They beat him up until the teardrops start  
But he can't be wounded 'cause he's got no heart

Long shot at that jumping sign  
Invisible shivers running down my spine  
Cut to baby taking off her clothes  
Close-up of the sign that says "We never close"  
He snatches at you and you match his cigarette  
She pulls the eyes out with a face like a magnet  
I don't know how much more of this I can take  
She's filing her nails while they're dragging the lake

[Chorus]

You think you're alone until you realize you're in it  
Now fear is here to stay, love is here for a visit  
They call it instant justice when it's past the legal limit  
Someone's scratching at the window, I wonder who is it?  
The detectives come to check if you belong to the parents  
Who are ready to hear the worst about their daughter's disappearance  
Though it nearly took a miracle to get you to stay  
It only took my little fingers to blow you away

Just like watching the detectives  
Don't get cute  
It's just like watching the detectives  
I get so angry when the teardrops start  
But he can't be wounded 'cause he's got no heart

Watching the detectives  
It's just like watching the detectives  
Watching the detectives  
Watching the detectives

[Repeat and Fade]
